

I, _____, do hereby release Glass Slipper Entertainment, its owners, employees and subcontractors from any responsibility or liability as it relates to the event that I am having in my own home or at specified venue. I understand that the performers will arrive at my event and will be doing strictly what is offered in the purchased package, or as discussed between myself and the owner of Glass Slipper Entertainment, and provide activities according to the space given at the venue. I understand and agree that I will not ask the performers to participate in activities that may be regarded as inappropriate. I understand that the performers have the right to exercise discretion and leave the party or event at any time should they feel unsafe or uncomfortable. The owner will deal with the incident accordingly. Glass Slipper Entertainment reserves the right to claim reimbursement for any damage incurred on wigs, costumes and/or props by attendee(s) at the event. I understand there must be an adult present at all times with the children and performer(s). I understand the performer may not, in any way, hold or carry a child or pets at the event. In the event that the booking or event must be cancelled, I agree to give at least two days (48 hours) notice of cancellation. Otherwise, the total booking amount is non-refundable at the discretion of the company. As stated in the "Cancellation" section in the GSE Terms and Conditions, I understand my deposit may be used towards a future booking with Glass Slipper Entertainment up to six months following the cancelled event. In the case of an unforeseen circumstance (ie. Illness, death in the family), Glass Slipper Entertainment may require documentation to issue any refunds. I understand that if an unforeseen circumstance arises in which the performer is not able to attend the scheduled event; such as illness, death, inclement weather, road conditions, and automobile or traffic related incidents, I will have the full paid amount refunded and will not hold Glass Slipper Entertainment responsible or take any legal action against any party involved. I understand if the performers are late due to any of these stated circumstances, they will either stay for the full time booked, OR, if they have another event to attend, Glass Slipper Entertainment will make appropriate arrangements to ensure my satisfaction.
